এসব প্রকল্পের মাধ্যমেই দেশের উন্নয়ন সাধিত হবে। প্রতি বছর প্রায় ১০ লাখ মানুষ বিশ্ববিদ্যালয় থেকে পাঠ্যক্রম সম্পূর্ণ করে। এরাই দেশের ভবিষ্যৎ কর্মী, গবেষক, উদ্ভাবক।

কিন্তু (এই ক্ষেত্রে) এদের প্রকৃত মান যাচাই করার কোনো সুযোগ নেই। প্রকৃত মান যাচাই করতে হলে বিশ্ববিদ্যালয়গুলোকে প্রকৃত মান যাচাই করে নিতে হবে।

এ ক্ষেত্রে বিশ্ববিদ্যালয়গুলোকে প্রকৃত মান যাচাই করতে হবে। প্রকৃত মান যাচাই করে নিতে হবে।

সংক্ষেপে: বিশ্ববিদ্যালয়

International Agri-Scientists 2024 Event at Government Science College, Bidar

written by Chandradip News24 | December 7, 2024

The event, organized by the Government Science College, Bidar, is a significant gathering of agricultural scientists from various countries. The speaker, a distinguished expert in the field, addressed the audience, highlighting the importance of agricultural research and innovation in addressing global food security challenges. He emphasized the need for sustainable farming practices and the role of technology in modern agriculture. The event is co-organized by Farm Fresh and lever@gear, and is held at the Government Science College, Bidar, from November 21-23, 2024.

The event is a platform for knowledge exchange and collaboration among scientists and researchers. It provides an opportunity for participants to share their latest findings, discuss emerging trends, and explore potential areas for joint research and development. The event is expected to foster strong relationships and partnerships between scientists from different countries, contributing to the advancement of agricultural science and technology.

The event is a testament to the commitment of the Government Science College, Bidar, to promoting research and innovation in agriculture. It is a platform for scientists to showcase their work and engage in meaningful discussions. The event is a significant milestone in the college's efforts to establish itself as a leading center for agricultural research and education. The event is a platform for scientists to showcase their work and engage in meaningful discussions.
